The remaining portions of this attachment are to be used to document the justification for the service requested.

- PART A - Designate the type of treatment requested (e.g., primary intensive outpatient treatment; aftercare/follow-up service; or affected family member/co-dependency treatment). Identify the types of sessions, duration, and schedule. The total hours must match the quantities indicated on the PA/RF.

If a certified psychotherapist is requesting specific psychotherapy services for the AODA-affected recipient that are not represented by the categories of treatment listed, complete the Prior Authorization Psychotherapy Attachment (PA/PSYA).

- PART B - Complete elements 1-10.

Providers may attach copies of assessments, treatment summaries, treatment plans or other documentation in response to the information requested on the form. Providers are responsible for ensuring that the information attached adequately responds to what is requested.

1. Attach a copy of the signed and dated prescription for AODA services. The initial prescription must be dated and signed within three months of receipt by EDS. Subsequent prescriptions must be dated within twelve months of receipt by EDS.

**NOTE:** If a physician will be the performing provider, a prescription need not be attached.

2. Read the Prior Authorization Statement before dating and signing the attachment.
3. The recipient's signature is optional.
4. The attachment must be dated and signed by the provider requesting/providing the service.

**NOTE:** The name and signature of the supervising provider is not required if the performing provider is a physician or psychologist.
